GENERAL ORGANIZATION

The General Organization is the coordinating, governing and financing body for school activities. Decisions are made by the four student officers, the two faculty supervisors, and the G.O. council, which consists of two boys and girls elected from each class. They must approve all school functions as well as determine the distribution of G.O. funds for trophies, school letters, sports, and clubs.

In addition, the G.O. operates the nonprofit G.O. store. Here, students can conveniently purchase school supplies.

One of this year's major accomplishments was the initiation of an Inter-City G.O. Council. This group includes representatives from each of the five Yonkers high schools. Its purpose is to establish a united student voice in the city and to bring the schools together through mutual activities.

Lenore Barkan, Secretary; Henry Rakov, President; Virginia Mariner, Vice-President. Absent: Marsha Mintz, Treasurer.

Wig & Whiskers is one of Roosevelt High School's most active organizations. *Bye-Bye-Birdie,* this year's production, generated much enthusiasm in the student body, playing to packed houses on Friday and Saturday nights, April 2 and 3.

The cast of over eighty, the technical staff, and members of the orchestra enjoyed immensely creating the school's first musical in many years, made possible by the dedication and hard work of Mr. Austin Kilcullen, Mrs. Joyce Neal and Mr. John Humphrey.

High achievement was recognized at the Wig & Whiskers Spring assembly when the "Teddies" were awarded, for best actor, and actress, best supporting actor, and actress, and other roles.

BAND AND ORCHESTRA

The Roosevelt Band, under the leadership of Mr. John Humphrey, has experienced a busy and successful year. Aside from marching in Yonkers' parades, the band performed at all Roosevelt home football games and football and basketball pep rallies. They and the newly-formed orchestra played a varied selection of music at the annual Christmas concert. During the first three months of 1965, the orchestra practiced after school for *Bye Bye Birdie.* At the spring concert, the band's daily rehearsals paid off in a superb show. The band ended its year by participating in the graduation ceremonies.

CHOIR

The Roosevelt High School Choir, under the leadership of Mrs. Joyce Neal, has had a busy year. Rehearsals every Monday, Wednesday, and Friday mornings prepared the choir for two December assemblies. A performance at Walt Whitman Junior High School set a precedent, and appearances at the Board of Education and the Yonkers Health Center continued a tradition. Christmas songs and Hanukah selections, with featured soloists, were performed. The Wednesday before Christmas found part of the choir caroling through the halls of Roosevelt, spreading season's greetings. Between rehearsals for *Bye Bye Birdie*, the choristers prepared a Spring Concert.

AMERICAN FIELD SERVICE

AFS Officers: J. Goldman, Treasurer; J. Yerger, President; R. Masur, Vice-President; P. Kamens, Secretary.

Never before has the Roosevelt Chapter of the American Field Service, our foreign exchange student organization, been so active in so many areas of international endeavor. Under a new constitution, the structure of the A.F.S. provides for an elected nucleus of sophomores, juniors, and seniors who are the officers and the heads of the committees, in addition to a general assembly which includes all students who wish to work on the six A.F.S. committees. Under this democratic system, the A.F.S. works to obtain host families for our exchange students, publicize the organization in the school and community, raise money through an annual sticker drive, and organize social events in honor of our visiting student. The year concludes with the exciting Bus Stop program, which gives Roosevelt the opportunity to greet and entertain A.F.S. students as they make their summer tour of the United States.

Row One: Pam Mason, Linda George, Marlyse Carras, Jane Goldman, Shanaz Nickanjam, Viola Dari, Ginny Mariner, Peggy Kamen, Betsy Betke. Row Two: Margret Berne, Lenore Barkan, Alan Silkowski, Bruce Volpe, Richard Masur, Furgus Bordewich, Barbra Jo Goldstein, Jo Yerger.

Alicia Kuitko and Barbara Jo Goldstein, AFS sisters

In 1965, Barbara Jo Goldstein returned to Yonkers after spending a year in Argentina, living with an Argentine family and learning the language and customs. So pleasant was her experience there, that Barbara Jo's Argentine sister, Alicia Kvitko, came to the United States for a reciprocal visit. The A.F.S. hopes to send one of the 1965 A.F.S. Americans abroad finalists, Margaret Berne or Richard Albert, to a foreign nation this year as a continuance of its role in world understanding through student ambassadors.

Shahnaz Nickanjam

From Iran, Roosevelt had the marvelous fortune to receive Shahnaz Nikanjam (Nikki) as our A.F.S. visitor. Nikki lived with the family of Mr. and Mrs. J. W. George and attended Roosevelt with her American sister, Lynda. Nikki's warm smile and delightful personality endeared her to all Roosevelt and the A.F.S. Chapter deems itself very proud to have known her.

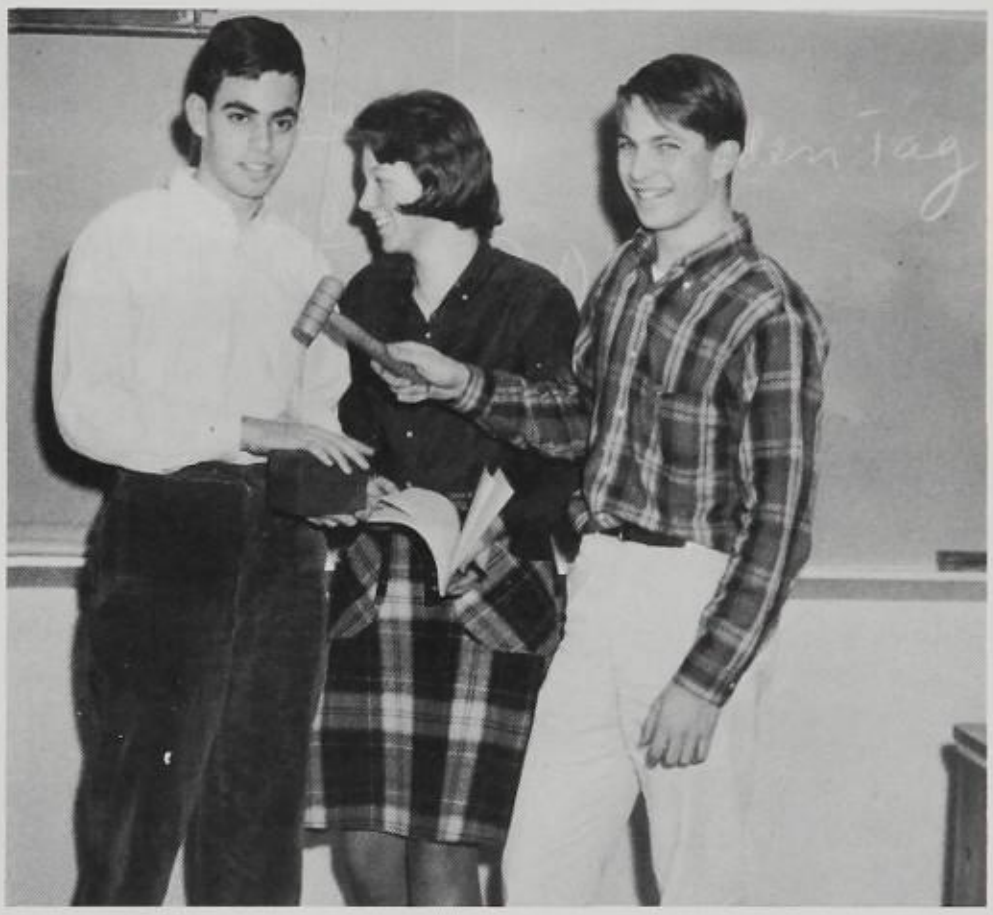
CLUBS

CHESS CLUB

In only two years, the Chess Club has developed into one of the most successful R.H.S. activities. The club, composed of approximately thirty members, sponsors a team which placed first in the Westchester County League Competition.

LANGUAGE CLUBS

Roosevelt's three language clubs were organized to give students a richer background in their respective course. This year, the French and German Clubs studied the arts and cultures of these countries and the Spanish Club viewed several Spanish films.



PSYCHOLOGY CLUB

PSYCHOLOGY CLUB

The Psychology Club studied the psychological development of the young adult through adolescence. They also dealt with normal and abnormal psychology.

POLITICAL SCIENCE CLUB

The primary aim of Roosevelt's Political Science Club is to promote a better understanding of governmental systems, with special emphasis on American legislative procedure. With this purpose in mind, the club organized general discussions on current political issues, in addition to creating a mock U. S. Senate.

POLITICAL SCIENCE CLUB

DEBATE CLUBS

DEBATING CLUB

Roosevelt's Debating Club, as a member of the Westchester County High School Debating League, has argued on the point that "Resolved: There shall be international control on nuclear weapons."

UN CLUB

The United Nations Club, affiliated with the United Nations Clubs of America, sponsored lecturers and panel discussions by foreign students living in nearby communities. The wide scope of the club's program was designed to stimulate interest in the World Organization and to promote familiarity with foreign problems. The winners of the annual United Nation's Student Examination are sent abroad on a rewarding exchange program.

UNITED NATIONS CLUB

BIOLOGY CLUBS

Roosevelt's three Biology Clubs have studied in small, informal groups various subdivisions of this huge field. A group meeting weekly under the supervision of Mrs. Schwartz performed dissections on various forms of aquatic life and viewed the dissected tissues.

A group under the supervision of Mrs. Bruno, devoted this year to an intensive study of the kidney physiology. As one of their experiments, the members witnessed the effects of kidney removal on the bodily functions of rats.

Under the auspices of the National Science Foundation and the Atomic Energy Commission, the Radiation Biology Club carried on a variety of experiments designed to explore the biological usefulness of radioactive isotopes.

Seniors who had contributed significantly to R.H.S. in non-scholastic and non-athletic activities were honored in a May assembly sponsored by the Service League. In order to raise the funds for this assembly, the League, in partnership with the Receptionists, held a cake sale in the fall term.

FAMILY SERVICE SOCIETY

This past year, several Roosevelt students were chosen by Mr. Reagan to be delegates to the Family Service Society. In connection with the other activities of the Family Service—house helpers for needy families, marriage counseling, and psychological treatment—these students expressed their opinions of current city problems. They also helped to raise funds for the Society's activities by sponsoring an annual sticker drive.

FUTURE TEACHERS OF AMERICA

The Future Teachers Club provided valuable experience for those students interested in teaching. The club sponsored student teaching at School 31 and provided ushers for the Sprain Brook Library's Children's Department Program. Its members also acted as ushers for open house night. In addition, two members of the F.T.A. receive $100 bonds at the end of each year for their outstanding service.

CIVIL DEFENSE

The Civil Defense Club is composed of well-trained students prepared to aid the community in the event of a major disaster. They took courses in radiological defense, rescue, first aid and shelter management. In addition, their club was fully approved by the U.S. Department of Defense.

PUBLICITY CLUB

The Publicity Club's job is to report assemblies and extra-curricular activities at Roosevelt. Their articles were printed in the *Herald Statesman*, in a special weekly column.

HEALTH REPRESENTATIVES

The Health Representatives provided Roosevelt with many clerical services during the school year. Each homeroom was assigned a representative whose duty it was to record medical and dental forms with the nurse.

RED CROSS REPRESENTATIVES

The Red Cross Representatives composed another of Roosevelt's service groups. Each representative was responsible for collecting donations from his homeroom, for the Red Cross, in its annual fund-raising drive.

The Receptionists composed one of Roosevelt's most active service groups. Their main purpose is to welcome visitors to the school and to act as ushers at certain school functions.

GUIDANCE, OFFICE AND NURSE'S AIDS

Throughout the year, the Guidance, Office and Nurse's Aids have proved to be of invaluable assistance in the smooth functioning of these three important departments of our school. By serving as messengers, doing clerical work, and acting as receptionists, they have performed an extremely important service for Roosevelt.

FUTURE NURSES OF AMERICA

CRIMSON ECHO

CRIMSON ECHO
J. Feins, Associate Editor-in-Chief; D. Altschul, Editor-in-Chief.

This year the Crimson Echo carried on the tradition of publishing a school newspaper for the enjoyment and enlightenment of the study body. News items brought everyone up-to-date on recent school activities, and feature articles satirized many facets of R.H.S. life (particularly L'Envoi). Editorials attempted to stimulate debate on school issues (as when G.O. election reforms were proposed). The annual humor issue, *Echh*, did manage to afford the senior editors long-deserved success before they handed over control to their successors, who published the final issue.

REFLECTION

The staff of Reflection assembled every Tuesday and Thursday throughout the year in order to choose the creative writing to be published in Reflection 1965. In the beginning of March, contributions were openly discussed by the staff and those accepted were combined with drawings and photographs to produce an attractive literary magazine. This year's Reflection emphasized the lightness in the work of Roosevelt's best writers.

The Roosevelt Indian football team, composed almost entirely of new blood, plunged into the 1964 season with true fighting spirit. Led by co-captains Fran Consagra and Ted Leitner, the hard-fighting squad exhibited the high standards of sportsmanship and team spirit that is traditional with Roosevelt. Although they played with unequalled spirit and genuine skill, bad luck marred the Indians' four encounters in the county. However, in their first city league clash, the team rolled over a formidable Lincoln eleven, 20-6. The second game against Gorton ended in a tie at 13, but a week later Roosevelt wrapped up a 14-7 victory over the Yonkers Bulldogs. On Thanksgiving Day the Braves found themselves vying for the city championship; unfortunately, the impressive performance of the Saunders-Commerce team won the title.

The yardage gains of fullback Jeff Marks, the brilliant running of Fran Consagra, and the zig-zag receiving and carrying of Boo Glover and Richard Burch were particular bright spots of the season. At the pivotal quarterback position, the development of Glenn Burch, after an unfortunate injury to starter Tom Caione, gave the Indians bright hope for the future. Much of the credit for this year's fine showing must go to the excellent work of Coaches Monaco, Leitner, and Thomas. Believing that spirit and sportsmanship are essential to an athletic program, the coaches initiated a pregame meeting of parents and players. Regardless of partial misfortune, the 1964 Indian team gave our school a perfect example of the kind of team Roosevelt deserves — hardworking, fighting, and above all, spirited!

J.V. FOOTBALL CITY CHAMPS

Roosevelt's Little Indians posted an undefeated slate this year as they took the city championship with a very impressive record of three wins, no losses, and one tie. The final game climaxed the fine season as the J.V., coached by Mr. Timmons, trounced Yonkers, 12-0. With such a promising undergraduate class, the future looks bright for Varsity Coach Monaco.

The Cross Country Team of Roosevelt High School improved over last year's showing by placing second in the city meet with a respectable total of 53 points. Under the coaching of Mr. Seidell, the boys finished with a commendable 3 and 2 record, losing only to Gorton and Saunders.

The leader for Roosevelt for most of the season was Captain Tom Dickmann, who consistently finished first for Roosevelt. Senior Don Waldman paced the Indians in the city meet, as he sparked a strong team effort that also produced finishes of tenth, eleventh, twelfth, and thirteenth. In addition, Waldman received our fastest time of the season, 12:30 minutes.

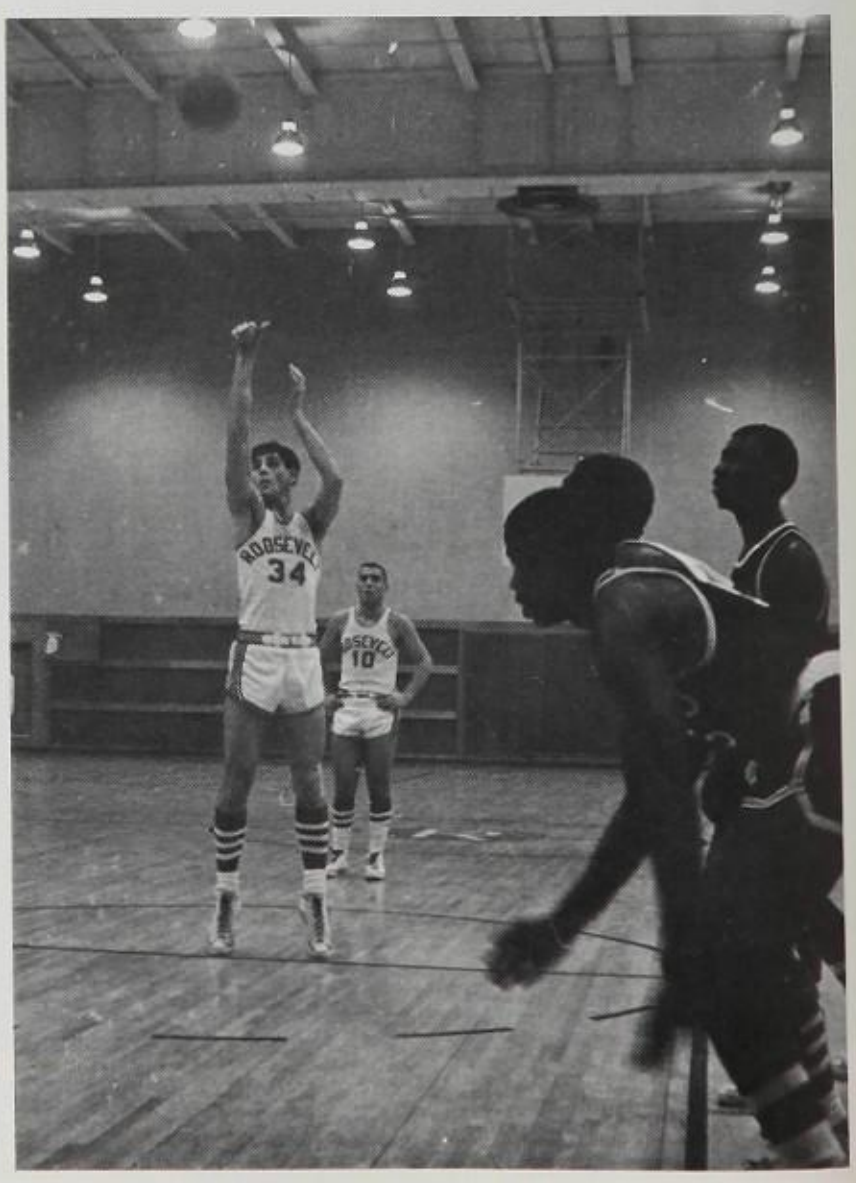
VARSITY BASKETBALL



CITY CHAMPS 1965

VARSITY BASKETBALL

The 1964-65 Varsity Basketball Team of Roosevelt High School was the best in the county. In their debut, the Indians initiated their fantastic season by adding momentum to an already crumbling dynasty, White Plains High, 66-49. Everyone was on hand to watch Roosevelt in our first city game with Yonkers, now famous for a marvelous back-court combination. Fans saw a cold night. The Rothstein-Hoffman-Glover-Pulver-O'Connell combination hit not quite 13% from the field in the first quarter. Yet their sheer superiority brought the game warriors back into action as they picked up the pace in the second half. As time ran out, a tremendous effort by Steve Hoffman threw the game into overtime. In the end we lost a heartbreaker, 65-61. Then began a winning streak that proved Roosevelt the top county team. We sneaked past Mamaroneck, 74-72, in overtime with Hoffman on the bench for the entire first quarter. City favorite Gorton lost, 64-55, as did Port Chester, 76-59, Lincoln, 64-54, Saunders, 79-62, and White Plains, 59-53. Then the captivating blow fell, as the Indians showed why the chief sport of Roosevelt *is* basketball. We "upset" Mt. Vernon, supposedly the top county power, 69-68, on a now famous last-second shot by Boo Glover. And we proved that it was no fluke in the return encounter, as the Knights struggled to end the humiliation, 68-55. In between, of course, the red hot Redmen pulled out a close victory over Yonkers, 63-61, a not so close victory over Saunders, 87-71, a complete rout of Scarsdale, 85-57, and yet another triumph over Lincoln, 65-49, on the same night that Gorton handed us the city championship by defeating Yonkers.

Row 1: L. to R. Fred Nielson, Warren Rothstein, Steve Hoffman, Co-Captain, Boo Glover, Co-Captain, Ned O'Connell, Bob Pulver, Tom Caione. Row 2: L. to R. Marty Romley, Manager, Bill Mark, Head Manager, Don Waldman, Ken Erdoes, Jeff Koblick, Ron Rothstein, Assistant Coach, Coach Seidell.

The '65 Indians usually displayed the trait of playing only well enough to win, but they came close to perfection against Scarsdale, winning by 28 points. Their true capabilities, however, were unrealized. We ended the regular season by conquering Gorton and the city, 84-57.

And then, having been seeded number one in the county finals, Roosevelt stumbled into another cold night, unknown since the first Yonkers encounter. Combined with a brand new zone defense put on by New Rochelle, the lack of shooting accuracy by both teams produced a dismal 58-41 loss. A team which had smashed Mt. Vernon twice (which in turn, had beaten New Rochelle twice) had now lost to the future Open Champions. A sentiment was echoed in every comment following that game, that one unlucky showing could never take away the thrilling, spirited glory that Roosevelt showed in its first fifteen games.

Coach Flower guided the little Indians of the J.V. Basketball Team not to any championships this year, but rather to gain the experience and poise so important to a varsity group. Oddly enough, the two most exciting games, which easily outshined the following varsity contests, were both lost to the same team, Gorton. In the first encounter, Roosevelt trailed by three with one second to play as consistent high-scorer Mike Sample came to the line for two shots. He pumped the first in and intentionally missed the second, grabbed the rebound, and then swished the tying points. The rematch was lost in a thrilling triple overtime that was marked by both suspense and hotly-contested basketball.

The Indians were 4-4 in the city and 6-9 overall, but both their excellence and the closeness of many games makes their record deceptive.

Row One: L. to R.; John Kurell, Peter DiLemme, Ricky DeFlorio. Row Two: Larry Massaroni, Alan Strohmayer, Mr. Williams, Jerry Scheinbach, John Bargellini.

True to Roosevelt form, the Indian Bowling Team also finished in first place in the city league this year, and took honors, records, and trophies galore as number one in the county also. Led by Captain Alan Strohmayer and assistant Captain Jerry Scheinbach, our bowlers copped the city crown with an outstanding record of 49 wins and only 11 losses. Peter DiLemme, a sophomore, had the high average of 175, as well as the high series, 634. Richard Di Florio and Peter DiLemme paced the county in the tournament with high series of 631 and 614 respectively. Richard DiFlorio and John Bargellini had high games in the county of 251 and 232. In the all important total point category, Roosevelt outstripped its nearest competitor, Lakeland by 80 pins with a championship mark of 2803. Their coach, Mr. Williams, will look forward to a promising future as more than half the team are undergraduates. The seven members, with their respective averages, are: Pete DiLemme, 175; Rich DeFlorio, 160; Alan Strohmayer, 149; Larry Massaroni, 140; John Karell, 137; John Bargellini, 160; Jerry Scheinbach, 158.

The water-borne Indians, sponsored by Mr. Rodner, ran into unusually tough city competition this year. Nevertheless, there were several bright spots in the swimming team's appearance. Coach Tad Ammann, the only three year varsity man on the squad was outstanding in his specialty, the breast stroke. Bill Kleinelp also continually displayed excellent form as Roosevelt's chief diver.

TENNIS

Led by the inspiring coaching of Mr. Kilcullen, the 1965 Indian tennis team is off to a flying start, having defeated Lincoln 4-1, even though our best player was outdone. Our most recent match was with Gorton, and it was invalidated due to improper pairings of Wolves. We are confident of a return victory over Gorton, as is Captain Don Waldman of clean sweep of Lincoln and the city.

This year's members include: Dave Kliger, Mike Urban, John Guadagno, Mike DeVito, Bob Smilow, Steve Zboyan, and Corey Goldberg. Mr. Norton is awaiting further developments, but it looks to us like a promising season ahead.

RIFLE CLUB

Because of the difficulty in obtaining suitable competitors this year, the Rifle Club was unable to schedule any matches. However, the group perfected its style and ability.

Members are Rich Aronoff, Larry Barnett; Dave Bodge; Rich Carozza; Jordan Ellsworth; Barry Jacobson; Mark Lobato; Kevin McCann; Martin Mihaluiko; Mike Morris; Tony Munroe, captain; Paul Ramahlia; Joe Tawlacci; Louis Tramelli, captain; Roger Weaver; and, rifleman superb, Coach Mr. Timmons.

TRACK

Our Champions

The Track Team is looking forward to another successful season under the leadership of Coach Monaco. The returning performers include: Ned O'Connell, Tom Dickmann, Frank Mullings, and John Moreland.

Possibly the strongest event so far as RHS is concerned is the high jump. As a junior last year, Ned O'Connell won this event, and he seems a sure bet to repeat this year.

Once again, RHS is strong in the running contests. Tom Dickmann is our leading two miler, while Tom Mathison runs the mile. In the sprints, Frank Mullings paces the 220, Bruce Hallenback the 440, and Mel Williams the 880. Our sprint relay team consists of R. Spina, F. Mullings, R. Burch, and D. Oliver, while our 880 relay consists of F. Consagra, P. Kallop, E. Goldman, and G. Yuille. Consagra and Oliver also compose the 100 yard dash.

In the field events, Alex Ceserano and Steve Bischel hurl the shotput, and Mel Williams and Ken Solomon do the broad jump, while Williams also does the triple jump.

The Baseball Team, once again under the prudent managing of Coach Seidell, shows all the signs of a city champ. The pitchers, led by senior righthander Tom Caione (2-0, 26 strikeouts in 1 innings,) and the batsmen, led by Ken Erdoes, Bobby Wasilik, and Paul Dropauer, have paved the way for the Indians during the early going.

All City, All County

1964-1965 was a rewarding year for Roosevelt athletically. Besides being all but the best basketball team in the county, we finished first in Section I bowling; in no sport did our Indians walk off the field in dishonor.

There were also many individual stars among the varied Redmen lineups this year. Fran Consagra, Robert Wisilick, Ted Leitner, and Robert Silvaggi all were praised by being named to the All-City Squad for football. Consagra was deemed by many as the best offensive player in the county.

Boo Glover, also reputed to be the best offensive player (basketball) in the county, won berths on both the City and County first teams. Ned O'Connell also paralleled Glover in the city and won Honorable Mention in the county. Guard Steve Hoffman added to our laurels by being placed on the All-City Second Team.

As of early May, there are no other individual honors having been awarded. We are looking forward to additional achievements from Don Waldman, Andy Poses, and Roy Tepper in tennis and other honors from our highly competent golf and baseball teams.

It is doubtless that this year was a highly successful one for the champion Indians of Roosevelt.

L'ENVOI SHOW

The purpose of the annual L'Envoi show is to begin the L'Envoi fund-raising campaign. A combination of comedy and dialogue put the point across: buy L'Envoi!

The show depicted a political convention crashed by a third party, L'Envoi. Yearbook delegates presented entertainment, and the program ended with the Miss L'Envoi pageant, as the six nominees were presented in floor-length dresses and described in verse.

All the activities of this school year are vivid in our minds now, but when, in later years, we want to look back, we need some reminders.

The *L'Envoi* staff has worked to compile in *L'Envoi '65* a book that touches on all aspects of Roosevelt. We have tried to find the little things which are most likely to be forgotten and to mold them together so as not only to give you a picture, but more, an overall feeling of this, the 1964-65 school year.

SENIOR OFFICERS

Marlyse Carras, Secretary; Marvin Wexler, President; William Treadwell, Vice President; Jane Kay, Treasurer.

Due to the influx of sophomores and juniors, we have been elevated a peg, and now we are seniors. A senior is a very special boy or girl who has the following rights: he or she may go directly to the head of the line at lunch (without passing GO or paying two-hundred dollars); he or she may ignore all juniors and sophomores at any or all times; and he or she may leave Roosevelt to study at any Borax house of his choice. Of course, many grow fond of Roosevelt and stay behind.

The Senior class accomplished much this year. Beginning with the Beat-Saunders mixer, the senior council sponsored many after-school activities. The Senior-Faculty volleyball and basketball games, innovations at Roosevelt, were among the most successful events of the year. Other senior-sponsored activities included the class trip and the Junior-Senior basketball game. Red and White Day at Roosevelt found great numbers of red-capped students roaming the halls, proudly displaying their symbol of seniority. The highlight of the year was, of course, the Senior Prom at the Mamaroneck Yacht and Beach Club.

JUNIORS

OFFICERS: Elaine Carbone, Paul Schneider, Bruce Hallenbeck, Frances Rossi.

Hardened by experience, battle-worn ex-sophomores plunged reluctantly into the "Slough of Despond," the hectic junior year. Aside from eleventh year math, chemistry and health, many other things were done. We sweated in R.H.S. sweatshirts (wearing them no-matter-what), got gangrene from our new junior rings, and supported a Korean girl, Huuong Hwa Lee. We still have one more year to go but "WE'LL MAKE THE MOST OF IT."

SOPHOMORES

Newcomers to Roosevelt, our Sophomores found life here sometimes confusing, but often rewarding. They quickly adjusted to the everyday routine, and started to plan the year's program. First on the agenda was a Christmas Mixer, which honored the football team for a fine "season". Next, the class council organized a trip to Bear Mountain. Soon after that they started work on the arrangements for their all-important Prom. Having completed a successful year, Roosevelt's Sophomores are looking forward to their junior year.

Dear Bill,

Hi! Really, I don't know what to write - I mean after all we've been through & all. I don't know what you think of me - I know what you think - but I know that I'm one of the most honest, sweetest, outstanding (etc) persons that you are ever going to meet. I hope you find I have ever met. I hope you want most and the same - Meanwhile I will want the same - Meanwhile remember, help searching & don't write - I mean time or screwballs

Love
Joe

P.S. Good Luck
